

1. About us

Imperial International College was birthed out of Love2Learn Curriculum - a company that started developing a curriculum for homeschooling in 2002, which today comprehensively spans Grades 00 – Grade 9 and is used in over 20 countries across the globe.

We wanted to ensure that the students (both homeschooled and mainstream school) who completed Grade 9, could then be assured of continuing all the way through to Grade 12 and be in a position to secure a Matric Exemption, should they want to study further at university or equivalent tertiary institution.

After considerable research we decided that the internationally recognised and prestigious British IGCSE (Grades 10 and 11) - the world's most popular international qualification for 14 – 19 year olds; and AS-Level (Grade 12) qualifications were overall the best option to meet and satisfy both our and our students' needs.

We then set about developing material – which also includes Tutor Support and a testing service for these last three years of schooling - that would support and prepare independent learners, who prefer to study via distance, to write the British IGCSE and AS-Level examinations.

We have offered this comprehensive support for IGCSE and AS-Levels since 2009, with much success, including numerous distinctions from many of our students.

With the advent of online learning, we then set about developing a dedicated online learning platform, which we initially called *iLove2LearnOnline*. This was later to become Imperial International College – Online Education for High School.

8. Product availability and Delivery Lead Times

Imperial International College has no control over the availability of titles that it does not publish directly. Components of the curriculum packages may thus change without prior notice.

8.1 Imperial International College Orders

Imperial International College operates on a delivery lead time of approximately 8 (eight) weeks from date of receipt of payment for an order. As a result of holiday closures both locally and internationally, any orders placed over Christmas/New Year, will attract further delays in delivery. Please factor this into your scheduling.

(We fully appreciate the eagerness of students to obtain their books as soon as possible after order, and we certainly do strive to supply books in as short a time as possible; however sometimes publishers are out of stock, books are in reprint and consequently orders are unavoidably delayed.)

8.2 Backorders / Out of Stock Orders

Sometimes backorders on imported titles are unavoidable. These will be dispatched to you as soon as possible. On occasions, a book may be completely out of stock with the publisher itself, but not out of print. In a case like this one may have to wait for a book to be reprinted by the publisher. This can take a few months. Regrettably, Imperial International College has no control over this and accepts no liability should this type of situation arise.

Every effort is made to effect shipment of your order timeously however unforeseen circumstances may cause delays. Should we be faced with such an occurrence Imperial International College will contact you via email and provide a revised shipping schedule.

9. Delivery Policy

Subject to your selection of a "Place of Delivery" from our list of centres reflected on our Online Order Form; all orders quoted include a "Fulfillment" charge which will cover administration, packaging, courier delivery etc. of your order at the eight week deadline. You will thus not be charged anything more for delivery of your order either via courier (for your initial bulk order delivery) or post (back-orders).

Kindly note if you are based outside of South Africa, or if you are living in South Africa but cannot find a "Place of Delivery" suitable to your needs on our list of towns or city names from the drop-down box on our Online Order Form and instead you select "Other", then Imperial International College will only be in a position to quote you for "Fulfillment" once

your order is complete and ready for dispatch. Please note that deliveries to areas not listed attract a significant premium. In these instances, these delivery costs will need to be paid before any resources are released either via courier or post.

The "Fulfillment" cost quoted does not make provision for early, part-delivery of an order, viz. should you for any reason whatsoever elect to take part-delivery of your order prior to the eight week deadline, Imperial International College will supply you with a quote for delivery of those resources that have arrived. This quoted amount is to be paid prior to your part-delivery being dispatched.

When you click to make a purchase with us legal obligations arise and your right to refund of monies charged to your credit card or paid in any other way agreed by us, are limited by our terms & conditions. You must not make any purchase through this site unless you understand and agree to all our terms and conditions. Once payment is made for the purchase, it is deemed that you have read and understood the terms and conditions for such purchase. If you have any queries please contact us before making any purchase for any service through this website.

9.1 Shipping

SA counter to counter

Please ensure the correct shipping address is provided from the outset as title and risk will pass to you once the order has left our premises.

9.2 Undeliverable packages

Occasionally packages are returned to us undeliverable. Should this event take place every attempt will be made to contact you to make arrangements for re-shipping.

10. Order processing

Order processing will not begin until we receive a confirmed order and payment.

11. Refunds / Returns Policy / Duplicate Resources / Discrepancies

After receipt of your payment, you will receive a "List of Subjects and their Resources" (LSR) report, which will list ALL of the Subjects that you've ordered, as well as ALL of the individual Resources that make up those subjects.

This will give you the opportunity to CHECK the resources listed and ensure that none of the titles listed are duplicates of books/resources that you may already own.

(Imperial International College does not publish its book-list; and this checking opportunity is our way of assisting our students so that they are not lumbered with duplicate resources and unnecessary expense).

If you require any CHANGES to Subjects or Resources/Software, you must notify us by return e-mail **within 2 working days** of this email to avoid any **handling fees**. We will then make

the necessary changes and pass the required credits immediately; NO HANDLING FEE will apply. You are welcome to request a refund for any such credits (please send your banking details in your return email); alternatively your account will be credited to offset future orders or delivery fees.

Note: If, for any reason, you CANCEL your ENTIRE order within the 2 working days you will be required to pay a CANCELLATION FEE of 15% to cover administrative costs.

PLEASE NOTE

- 11.1 Should you NOT alert us to the fact that your subjects are incorrect or that there are duplicate titles and/or incompatible Software within the 2 working day deadline and you subsequently wish to change your subjects or credit a resource, you can still do so up until your order is dispatched, but a nominal handling fee of 10% will apply. (However, No refunds will be done; the credit will be left on your account and can be used to offset future orders and delivery fees.)
- 11.2 If, for any reason, you **CANCEL** your **ENTIRE** order at this stage (after the 2 working day deadline and up until the time your order is dispatched) you will be required to pay a CANCELLATION FEE of 25% (10% handling fee and 15% administrative costs).

IMPORTANT: NO RETURNS OR CREDITS can be done AFTER your order has been dispatched.

- 11.3 Any surcharges which banks may impose, in regard to bank charges and levies of any nature related to transferring funds internationally, will also be for your account. You must advise us in writing of your cancellation and any such cancellation must be signed by the person who made the original purchase. The goods must be returned to us undamaged in the original packaging within 14 calendar days.
- 11.4 Should you choose to use a carrier that does not offer a tracking facility and the goods are lost then no refund or return will be considered.
- 11.4.1 International customers should make use of a courier that offers:
- Shipment tracking.
 - Insure your package for safe return and declare the full value of the shipment failing which loss or damage will be for your account.
- 11.5 All deliveries of orders include a list of items being delivered. Any **discrepancies** as regards the printed list of titles being supplied when compared with the actual items delivered e.g. short delivery; must be communicated to Imperial International College within seven days of taking delivery of your order. Imperial International College reserves the right to waive any discrepancies that are communicated after this seven day “window” period.

Contravention of this clause constitutes a breach of contract and will make the relevant parties liable to criminal prosecution and civil claims for damages.
