

Practice Practicals for Science Subjects

Ridgefield Academy will be offering practice practical sessions for all candidates entered to write AS-level Science subjects.

These sessions will be from Friday, 2 August to Friday, 30 August 2024. These sessions will only be on Mondays, Wednesdays and Fridays from 14:15 to approximately 16:15.

The cost of each session will be R1375. This will cover the cost of consumables as well as the subject specialist who will conduct all of the sessions.

It is advised that all candidates attend at least 3 of the 4 practicals for your specific subject.

The dates that you select will determine the total on the invoice sent.

Please note that some practicals might take more than 2 hours to complete. Be prepared to add an extra half an hour should it be necessary.

There will be a dress code for all practicals: Long pants, closed shoes and hair tied back. For Chemistry all students will be required to wear a lab coat. These can be purchased at either Kloppers or Awerbuchs.

All students should bring along a mathematical set as well as the calculator used in Mathematics.

You are welcome to bring along something to drink.

Please tick the boxes of the sessions you would like to attend.
