

AS BIOLOGY WORKSHOP

Dear Parents and Students

I will be running a 2 day workshop to help prepare students for the upcoming examinations. The following topics will be covered:

- Identification of specimens under a microscope including the use of a stage micrometer and eyepiece graticule
- Preparation of simple and serial dilutions
- Experiment on water potential
- Experiment on enzyme activity
- Testing for organic molecules
- Handling and using Biology apparatus
- Rules and guidelines for the practical examination

Workshop dates: 29 and 30 March 2025

Time: 8.30am – 1.00pm

Cost: R2000

**Venue: Open Minds Campus
153/1 Crocus Road, Kyalami AH
Midrand**

**Requirements: Stationery, notebooks, calculator.
Please bring something to eat and drin**

Kind regards
Heidi Segeren
